EVERY SECOND COUNTS

When Paul Daniels says "You're right", you collect seconds rather than points.

Up to three couples or six individuals can play and the fun starts with "True or False" rounds. As in the TV Show, a bonus round comes next to gain those valuable seconds. Next, the winner takes part in the Grand Final but all those valuable seconds collected during the game are ticking away.

The more seconds you gain, the easier it is because "Every Second Counts"
